SUBJECT: **Proposals for 2010 SCSBA Annual Convention**

- What are some successful programs or practices that your district is using to increase student achievement, especially for specific student populations?
- How are you working effectively with student and parent groups?
- Has your board instituted new procedures or initiated district wide studies that will enable more effective **district governance**?

Board members tell us that they like to hear what other districts are doing to deal more effectively with the many challenges of providing quality programs for all students. Think about what is working well in your district that would be helpful to school board members throughout South Carolina.

I am looking for “share the success” presenters for the 2010 SCSBA Annual Convention, which takes place February 18 - 21 at the Kingston Plantation, Myrtle Beach.

Breakout sessions will take place on Friday, February 19, and Saturday, February 20. The enclosures give more information about how you can submit a proposal to present at the convention.

These forms are also available on the SCSBA web site scsba.org. Your district’s public information officer is receiving this same memo by email.

The deadline to submit a proposal is Monday, October 26, 2009. Please contact Nicky Shova at 800.326.3679 or nshova@scsba.org should you have any questions.
