

# Safety equals savings

**The South Carolina School Boards Insurance Trust (SCSBIT) Premium and Risk Reduction (PARR)**

## Program Training

**Tuesday, Sept. 27, 2011**

**9:30 -11:30 a.m.**

### Training to save

Plan now to participate in SCSBIT's annual PARR training session ... but don't look for us on the road because we're headed to you via the internet or in person at the Lexington School District Two Administrative Office. In the past, PARR training was done through regional meetings throughout the state. We want to make sure cuts in district travel budgets don't limit your ability to learn about this year's PARR program. Learn how your district can save 5% on its workers' compensation insurance premium by reducing costly workers' compensation claims through PARR. SCSBIT's risk control experts will help guide you through the PARR process and provide important information on practices to reduce claims.

Learn about this year's criteria for PARR aimed at implementing effective risk control measures. They are as follows:

- Management Commitment Statement
- Safety Committees
- District Safety Goals
- Walk-Through Safety Audits
- Principals' Meeting Safety Focus
- Bloodborne Pathogens – updated plans
- Medical Waste Disposal
- AED Written Program
- Attendance at Risky Business
- Captain's Choice

### 2 ways to participate

1. Watch it live and free of charge on the internet from 10 to 11:30 a.m. The webcast format allows district staff to watch and participate as a group at a location in their school district or individually on their own computer. Participants will be able to email their questions to [ask@scsba.org](mailto:ask@scsba.org) or post questions in a "chat box" on screen. A link to the webcast will be provided closer to the meeting date.

2. Attend in person from 9:30 to 11:30 a.m. at the Lexington School District Two Administrative Office located at 715 Ninth Street, West Columbia, S.C. 29169. There is no cost to attend but please email your attendance to Heather Kinard at [hkinard@scsba.org](mailto:hkinard@scsba.org).

The video of the meeting will be posted afterwards for those not able to participate on September 27. A link to access the video will be available at [www.scsba.org](http://www.scsba.org).

During the meeting participants will:

- Preview criteria for this year's PARR program
- Learn and discuss preventive measures to reduce claims
- Discover how to utilize PARR to galvanize a culture of employee safety

### Who should attend /participate?

- Safety personnel responsible for district risk control programs
- Risk managers and risk control contacts
- District financial officers
- Superintendents
- Nurses
- Board members
- Maintenance directors

### PARR application toolkits

PARR application toolkits are available to download and print on the SCSBIT web page [www.scsba.org/insurance](http://www.scsba.org/insurance). You can also request a printed copy by calling Heather Kinard at 803.988.0254. The easy-to-use kit provides:

- Purpose and instructions for completing each of the 10 PARR criteria for 2011-2012; and
- Space for inserting necessary support materials documenting evidence of implementation or completion of each criterion.
